Iin: 500mA - 750mA (pag.3)

Vin: Max 60 Vdc SELV

Il prodotto NON deve essere collegato direttamente alla tensione di rete.
Utilizzare la adeguata unita di alimentazione!

The product must NOT be connected directly to the mains voltage.
Use the appropriate power supply unit.

Das Produkt darf nicht an die Netzspannung direkt angeschlossen werden.

Le produit NE DOIT PAS être connecté directement a la réseau électrique.
Utilisez la correcte alimentation électrique.

El producto no debe ser conectado directamente a la red eléctrica.
Utilice la fuente de alimentación correcta.
