

Nui

Design Meneghello Paoletti Associati

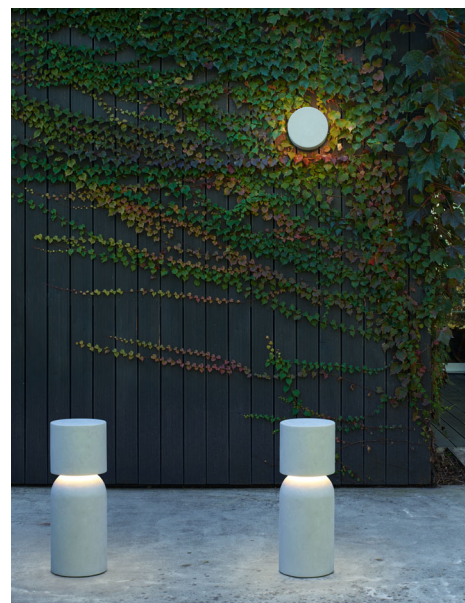

Type:	Floor outdoor	
Lamps:	LED 14W, 3000K, CRI 90 available with: on/off LED remote driver (*) dimmable push/DALI remote driver (*) 696 lm	EEL: A+
Product use:	Outdoor	
Materials:	Structure: concrete Diffusor: PMMA Internal support stem: steel Optic: die-cast aluminium	
Colors:	Concrete grey	

Description: Balance, symbiosis and interaction: the crux of the design of the NUI collection of outdoor floor lamps lies in the relationship between two overlaid cylindrical volumes that interact in a dynamic of reciprocal completion. Parts of a single whole, these two volumes take on different, complementary roles.

Reference code:	A02TA1	1A020TA10028	base
	A02TA2	1A020TA20028	top cover
	A02LC1	1A020LC10000	optic + stem

remote driver (*)
(the junction box is recommended watertight IP68)
D98/5 1D980/050000 independent on/off driver
D94/1 1D940/100000 independent push/DALI driver
