

OTTO WATT

design Alberto Meda / Paolo Rizzatto, 2011

Type: Table
 Light source : 10W LED 3000K dimmable
 Product use: Indoor
 Materials: Aluminium
 Colors: Mirror, black soft-touch, white
 Description: A perfect desktop companion and reinterpretation of the classic spring lamp, Otto Watt stands out for its slim yet solid lines, granting stability and easy handling. The dimmable LED makes it possible to vary light intensity, providing ideal brightness for any situation, from moments of relaxation to activities that require great precision.
