

Fienile outdoor

Design Daniel Rybakken, 2019

Type: Floor

Lamps: LED Strip 17W, 3000K, CRI 90 EEL: A+
available with on/off LED driver
or dimmable push/DALI LED driver

Product use: outdoor

Materials: Aluminium structure and polycarbonate screen

Colors: Light grey, Dark grey

Description: Originally created as a table lamp, Fienile is also available in floor lamp versions for outdoor use, based on the same design inspired by the iconic rural buildings of Norway. Fienile Outdoor is a work of micro-architecture, with its walls and pitched roof extruded in a single, solid block of coated aluminium, while the diffuser is in polycarbonate.

Insulation class: **IP65**
